AUCTIONEER

Mark McNamee 307-760-9510

ABSENTEE BIDDING

Live internet bidding is available through CattleUSA.com or you may contact Kim and Kale Krestchman, the auctioneer or sale representatives prior to the sale.

TERMS AND CONDITIONS

Cattle will sell under the Standard Terms and Conditions as recommended by the American Angus Association.

RETAINED INTEREST

Rafter T Angus will be retaining a one-third revenue sharing interest in every bull selling in the sale. Full possession and salvage value sells on all bulls.

SUPPLEMENTAL INFORMATION

A supplement data sheet will be available sale day with scrotal measurements, ultrasound data and other updates. Announcements from the auction block take precedence over catalog information.

SALE LOCATION

Buffalo Livestock Auction
44 T W Rd
Buffalo, WY 82834

SALE DAY SCHEDULE

9:00 AM – Bulls available for viewing
12:00 AM – Free Lunch
1:00 PM – Sale Begins

LIABILITY

All persons who attend the sale do so at their own risk. Rafter T Angus and Buffalo Livestock Auction assumes no liability, legal or otherwise, for any accidents which may occur.

ACCOMMODATIONS

Hampton Inn, Buffalo 307-684-8899
Comfort Inn, Buffalo 307-684-9564

TRUCKING

Delivery of all bulls is free of charge in Wyoming and adjoining states. Delivery of bulls will begin around April 1st.

INSURANCE

Bill Pelton, Stockmens Ins. Agency 406-671-5100
We strongly encourage our buyers to purchase insurance on their bulls against death or injury. We cannot guarantee them against an act of God or sickness that develops while he is in your control. We do guarantee our cattle to be healthy sale day and when their arrive to your ranch. Bill Pelton with Stockmens Insurance Agency will be available sale day to answer any questions and set-up a policy per your request.

WINTERING

All bulls will be wintered free of charge until April 1, 2018 at our ranch in Gillette, WY. If you choose to leave your bulls past April 1st feeding arrangements can be made at the buyer's expense.

HERD HEALTH

All bulls will be tested BVD PI Negative. All cattle sell with proper health papers for interstate shipment. A rigid herd health program is followed. All cattle have been calf hood vaccinated with 7-way Somnus at branding and at weaning along with IBR, BVD, BRSV, Pasturella and a Dectomax Pour On.

FERTILITY

The bulls will be fertility tested by a licensed veterinarian prior to delivery.

FIRST BREEDING SEASON GUARANTEE

Rafter T Angus guarantees bull(s) for their first breeding season (60 days from turn out) provided the bull(s) are managed properly and are kept in acceptable nutritional and physical health. Upon delivery Rafter T Angus guarantees the bull(s) are sound and fertile. Should death or injury occur to the bull(s) it should be documented and verified by a licensed DVM. Rafter T Angus will either give credit to the buyer or replace injured bull(s) at their discretion, if a comparable bull(s) is available.

CALVING EASE RECOMMENDATION

Each bull in the sale has been assigned a calving ease score, found in the bottom right of their lot box. This is our suggestion on what each bull is best suited for based on a number of factors including pedigree, birth weight and our knowledge of the sire and dam. All buyers should take into account their own program when considering these recommendations. Please talk to us prior to the sale if you have any questions.

Greetings Cattlemen!

Please consider this a personal invitation to our 2nd annual bull sale. The last couple of years in this business have been pretty exciting for us. Since purchasing our registered cows, we have focused on improving our genetics by using a strong AI program and individually mating our cows. We are seeing results that we are really proud of.

This crazy drought just won't give us a break. Raising efficient cattle is a must. Forcing all of our cattle to "do more with less." Our cows are still weaning a big calf at the end of August. These calves aren't getting creep fed and yet our weaning averages have gone up, which we credit to better genetics. Profit margins in our industry are much tighter than they have been in the past. With the cattle market at its current low, we see this as an opportunity to expand and freshen the genetics in your herd. We are offering outcross bulls, with a strong genetic foundation. In an effort to not pass on unwanted traits, we make ruthless culling decisions every year. Focusing on structure, soundness, disposition, and fleshing ability.

We have worked very closely with our nutritionist to develop sound footed, and highly fertile bulls. They have been fed a high fiber pellet along with willow creek wheat hay. On this complete dry ration, the bulls should grow and not get fat. We want to sell you bulls that will be in your herd for years.

Our goal is to offer outstanding customer service. Not only just around sale time but also when the bulls are at home working in your pastures. In an effort to build long term relationships with our customers we are offering our personal guarantee with them. We stand behind every bull that leaves our ranch for one breeding season. If for some reason you are not satisfied with your purchase during the first breeding season, we want to be the first to know. The bulls will be given a complete breeding soundness exam by Drs. Jay and Brandi Hudson. They will have been carcass ultrasounded and that data will be available prior to the sale. If you live in Wyoming or surrounding states we will deliver your bull(s) for free, beginning April 1, 2018.

Thanks to those of you who have put your trust in our genetics. We greatly appreciate your business. If you're in the area before or after the sale please stop by to look at the bulls. The bulls have all been videoed and those videos can be seen on our website. If you have questions about our program or are just needing more information please call us or go to our website, www.raftertangus.com.

We can't wait to visit with you on sale day. Please join us for lunch starting at 11 AM.

RAFTERT ANGUS

A moderate framed, calving ease bull. The outcross genetics offered by this bulls pedigree would be a valuable asset to anyones herd. This bull should sire long, deep sided calves that come unassisted. We have used his sire Joe Hero 2774 on heifers in our program for three years. He has proven himself to be a true calving ease heifer bull.

FROM OUR VETERINARIAN TEAM «

We are continually impressed with the herdsmanhip of Rafter T Angus. Their attention to detail, value placed on prevention, and proactive approach to genetic improvement can be credited for the quality product you see here at their sale.

BULL FEED RATION «

Rafter T Angus Bull feed is a customized protein and nutrient dense pellet designed to develop superior frame and muscling while building strong feet and legs. The feed contains accelerated levels of vitamin and organic trace mineral fortification targeting enhanced fertility, immunity and bone/joint development in fast maturing Rafter T Bulls. Our focus is to optimize nutrition to prevent over conditioning that leads to bulls 'falling apart' on grass. The overall feeding concept at Rafter T is to grow solid performance driven bulls at peak genetic capacity and deliver them to your door ready to go to work in any conditions.

J&P Grain Solutions

Supporting agriculture

Since 1885

From the food on our tables to the clothes on our backs, we depend on agriculture. At First Northern Bank of Wyoming we believe in it, we support it and we invest in it.
